## Preschool Program

### “Royal Beginners”

The Royal Beginners Preschool Program fosters a Christ-centered love for learning in a nurturing environment where children can explore, grow, and thrive. Through a balance of play and structure, our program encourages curiosity, creativity, and foundational skills that prepare young learners for kindergarten and beyond.

Our curriculum offers engaging, age-appropriate activities that support development in key areas:

- **Thematic Exploration**
- **Creative Arts, Movement, and Music**
- **Phonics and Early Reading Skills**
- **Math and Number Concepts**
- **Language and Motor Skill Building**

Guided by a dedicated team of experienced educators, students develop spiritually, physically, emotionally, socially, and cognitively. Each child is valued and supported in their unique learning journey.

At BCA, being part of the Royal Beginners family means experiencing a community built on love, kindness, and respect. We are committed to helping children grow in confidence, compassion, and readiness for future success by modeling the love of Jesus Christ in all that we do.

*Contact our Preschool Director, Mrs. Meris Jenkins, for further insight into BCA's preschool program.*

***We invite you to prayerfully consider enrolling your child in BCA's high-quality Christian preschool program and becoming a part of our community as a BCA Royal Beginner.***

***“Start children off on the way they should go, and even when they are old they will not turn from it.” - Proverbs 22:6***

## **At Burlington Christian Academy...**

### **1. Your Voice Matters**

As a parent, you are closest to your child emotionally, mentally, and spiritually, and you have a unique understanding of their needs. You have the God-given right to influence your child's educational journey. We invite you to partner with us through regular communication, participation in school activities, volunteering when possible, and engaging as an active member of our ROYAL family.

### **2. Faith is Integrated into Learning**

The Bible and spiritual practices, like prayer, are woven into both the curriculum and your child's daily experience. Your child will not just learn about animals, but also understand how and why God created them. They will not only develop patience but will also learn about a loving and patient God who cares for them. Our ROYAL values are evident throughout their learning, taught by godly role models in our teachers, staff, administration, and all of our BCA employees.

### **3. Every Child is a Unique Gift from God**

We believe each child is a special creation with a purpose. God doesn't make mistakes, and He has a perfect plan for your child. As your child grows and develops in preschool, we honor all aspects of their journey. We will keep you informed about their progress, sharing both challenges and triumphs, always recognizing that your child is wonderfully made by God
