At BCA, students are encouraged to serve as Christ would serve and to be a blessing to those being served. With this mindset, their work will reflect integrity, diligence, care, and excellence for the glory of God. Our goal is from Galatians 5:13 which says, "...but by love, serve one another."

BCA High School students are required to perform a minimum of 30 community service hours per year as part of their education requirement. These hours are also calculated as five percent of the student's yearly Christian Foundations grade. A senior who has completed 150 or more hours of community service will be honored with a silver service cord at graduation. Service may be volunteered at church, at school after normal school hours, or in the community. Any summer volunteer service will be added to the upcoming school year. **A student may receive credit for summer mission trips.** In order to accurately calculate community service hours from mission trips, students should record only hours working, not hours spent in other ways i.e. travel, rest, etc.

Ideas for community service:

- | | | |
|-------------------------------------|------------------------|-----------------------------------|
| Piedmont Rescue Mission | ARMC Volunteers | Helping in BCA Classrooms, Events |
| The Caring Kitchen | A Heart's Cry | Twin Lakes Memory Care |
| Alamance Pregnancy Services | Meals on Wheels | Allied Churches |
| Living Free Ministries Thrift Store | Teaching Sunday School | Christian Adventurers |

The following (although they are meaningful acts of service) may not be used to fulfill the BCA Community service requirement:

- Service where the student receives remuneration of any kind
- Self-improvement workshops or conferences
- Non- missions related rehearsals, practice times, or performances*
- Service performed as a disciplinary action
- Babysitting for an individual family
- Service to family members or a for profit business- unless it is in the capacity of a charity fundraiser, etc.
- Service to athletic teams (BCA or Rec.) in an official capacity such as a team manager, assistant coach, or scorekeeper (this does not pertain to Christian Sports Ministry organizations such as Upwards or Christian Adventurers).

***Note: If you question whether a particular service will qualify, please ask the high school office prior to serving for approval.**
