## Faith Hollifield

---

How long have you been teaching? -  
14 years

What brought you to BCA? -

God opened the door for me to be here after several years of wanting to work part time so I could spend more time with my children and in ministry.

What do you teach at BCA? -

I am one of the elementary school music teachers and the MS band director.

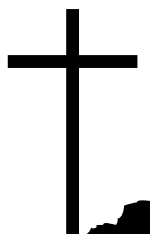

Something you really want your students to learn in life -

That they are each uniquely made and loved by the only God and Creator of the Universe. That they are valuable and irreplaceable, and no one can do what God has created them to do the way he intended it to be done, except for them.

What other fun facts should we know about you? -

I have three amazing sons: Azariah (7), Isaiah (5), and Nehemiah (almost 2). The beach is my happy place. I love nature, “dance parties” in the car, and being silly with my children and elementary music classes. Music has a powerful effect on my emotions and is one thing God uses to speak to me. When I was in elementary school I wanted to be an art teacher. After discovering marching band in high school, I knew that teaching band was what I wanted to do with my life.
